Day Spa is located in urban centers, offering the following services: aromatherapy, hydrotherapy, sauna, body care treatments and facial care, based on a daily schedule, without implying the offering of dining and accommodation services.

Starting a Spa Business - ASECU

Step 8: Outline the Day-to-Day One of the crucial aspects of building a successful spa is the support you'll need to run your new business day-to-day. Outline in your spa business plan a list of the day-to-day activities needed to market, open, manage, provide services and close the spa. Indicate who on your team is responsible for each activity.
