religion, magic, science and even legends. Social anthropology is a comparative study of all these things in ancient human society. Art is an important part of culture and culture depicts the interior of a society. Social anthropology studies sculpture, metallurgy, and even dancing and instrumental and vocal music.

SOCIAL ANTHROPOLOGY - University of Calicut

science and thus, anthropology represents science of human (Barnard, 2000; 1). According to Haviland, Prins, Walrath and McBride (2011; 2), anthropology is "the study of humankind in all times and places".

An Overview of the Anthropological Theories - ijhssnet.com

Bachelor of Science - Anthropology The BS degree program allows majors to integrate anthropology with scientific training relevant to certain career paths. You might consider the BS degree if, for example, you are interested in biological anthropology or archaeology, or if you want to combine anthropology with other sciences as part of a pre-health program.

Bachelor of Science: Anthropology - Anthropology

the history of anthropology as a science that started with the study of the characteristics of the human body to the recent development, all is described clearly.

(PDF) INTRODUCTION TO ANTHROPOLOGY

Many critics of science today in anthropology speak as though they have just discovered the idea that knowledge is relative to class, race, sex, religion, etc. This idea was in fact at the basis of modern sociology as seen in Weber's question about the role of religion in the development of occidental rational-

State Of The Art/Science In Anthropology

What Is Anthropology? Anthropology is the scientific study of the origin, the behaviour, and the physical, social, and cultural development of humans. Anthropologists seek to understand what makes us human by studying human ancestors through archaeological excavation and by observing living cultures throughout the world.
