

art and justice the pdf

"The Art of Delivering Justice" is a project of the Federal Court of Australia which has been designed to support education about law and justice in Australian secondary schools. These innovative curriculum materials support student learning in studies of Society and Environment, English, the Arts, and also in Legal Studies and Civics.

Digital Arts – Quarter Portfolio – Arts and Justice

These art and social justice curriculum materials . include more image essays than the usual Evenings for Educators packets because it is our belief that now, in a time of increasing division and discord, it is vital to talk about these issues. Art is a shared

Art and Social Justice - LACMA

Many arts/justice programs focus on peace, youth violence, trauma, physical and mental health issues, poverty, oppression, homelessness, and domestic violence. Programs typically connect artists with community organizations and/or governmental partners to develop creative ways to highlight a social problem and promote solutions.
