Banana Fish got its start in the US in the now sadly defunct "Pulp" magazine from Viz. I was introduced to it there and was so taken that I followed it religiously for the past two years. Banana Fish has been developing in the most delightful ways. Ashe Lynx is a young man (17 y/o) with the good looks, deadly skills, and sophisticated brain to ...

Nature made Ash Lynx beautiful; nurture made him a cold ruthless killer. A runaway brought up as the adopted heir and sex toy of "Papa" Dino Golzine, Ash, now at the rebellious age of seventeen, forsakes the kingdom held out by the devil who raised him. But the hideous secret that drove Ash's older brother mad in Vietnam has suddenly fallen into Papa's insatiably ambitious hands—and it's ...
