

barista training in five pdf

barista training G U I D E INTRODUCTION Having skilled, competent baristas operating the machine is crucial to the caf  s success. Having unskilled staff serving below average coffee is the quickest way to destroy the caf  s reputation and general business success.

barista training G U I D E - Celcius Coffee

- The operator/barista - Espresso should be served hot! It is important to keep the handles in the group heads at all times. Handles should never be left on the drip tray when not in use. - Warm cups   ” one of the great pleasures of coffee is the feel of a warm cup in your hand.

BARISTA MANUAL - Italian Aroma Coffee

oped flavors and lower brew strength. To minimize channeling, a barista should prepare a bed of grounds so it has a smooth and level surface, forms a tight seal with the wall of the portafilter basket, and is of uniform density. Evidence of channeling can sometimes, but not always, be seen when using a bottomless portafilter.
