Download PDF EPUB Becoming A Teacher Through Action

The functional competencies of being a teacher are developed differently, being shaped by the individual's evolving perspectives and philosophies of teaching. This view of learning to teach certainly challenges how pre-service teachers are evaluated. Demonstrating specific competencies is no longer sufficient.

Becoming a teacher: encouraging development of teacher

Becoming a teacher has a double contradictory dimension: to learn what mainstream teachers do at schools and to learn how potential teachers could access knowledge of the reality of schooling.

Become A Better Teacher: Five Steps in the Direction of

In order to be an effective teacher, you need to realize that the time you are at work - those 7 1/2 to 8 hours - really must be spent with the kids. This means that creating lesson plans and grading assignments will probably take place on "your own time." In order to continue to grow and advance, teachers also need to create time for professional development.
