If body consciousness is a topic unlikely to comfort conventional philosophical tastes, this is not because philosophy has always ignored the body, as too many somatic advocates are fond of complaining.

### **Body Consciousness - Assets**

“Body consciousness”™ is one of the most important topics that can be understood on one’s road to healing. Becoming aware of what kind of relationship you have created with your body is a fundamental key for change.

### **Body Consciousness | Wake Up World**

The Body of Consciousness is the melding of your chakra system, physical organs, psychic aspects, physical senses and spirit into a single, unified Self. You are moving beyond your past, present and future states into an integrated Being operating simultaneously in multiple dimensions.

### **Body of Consciousness - The Crimson Circle**

You are aware of the body as something in Consciousness. You do not experience the body itself as a "thing" in and of itself. You are conscious of the body. Therefore, Consciousness Itself is first “not the body. Then there appears to be the body, and you identify with it, and forget Consciousness.

### **You Presume You Are The Body | Consciousness Itself**

“Consciousness Beyond the Body”™ is a welcomed anthology of varying contemporary research on the out-of-body state and first hand experiences, which I believe will be great use to scholars and students of today •
