In this book body experience is seen as the subjective expression of psyche and soma and is discussed in relation to its significance in modern medical practice and psychoanalysis.

Body Experience - The Subjective Dimension of Psyche and

Introducing the Subjective Body and Objective body. Today I am going to talk about the body in the mind. That's right, the body in the mind, not the mind in the body. We have what some people call a subjective body that we feel internally, that's the body that responds to emotional energy, mood, will, poetry, hope and grief.
