The prediction of accidents, or systems failure, should be driven by an appropriate accident causation model. Whilst various models exist, none is yet universally accepted, but elements of different models are.

Back to the future: What do accident causation models tell

If you really are serious about knowing how to restore the Republic and your freedom you need to put some effort into knowing how our freedoms are being robbed from us by fraud, lack of full disclosure, deception, threat, duress, coercion, and intimidation every day of our lives and have been for over 100 years by the criminals who have hijacked our government, wealth, and heritage for their ...
