The Paths to the primary Certification. The table below shows the different paths and levels for Cisco Certifications. All Certifications, except for CCAR, require passing one or more theoretical exams offered by Pearson VUE. CCIE Certifications also require a hands-on exam administered at special labs around the world.

Cisco certifications - Wikipedia

Domains. The architecture of SIP trunking provides a partitioning of the unified communications network into two different domains of expertise: Private domain: refers to a part of the network connected to a PBX or unified communications server.
