States Must Support the ICC's Use of New Technology for Outreach The ICC's implementation of outreach could benefit from developments in new forms of technology. In order to assess the use of such new tools in designing effective outreach strategies, the ICC must first conduct mapping exercises to determine the level of access and technology infrastructure within a given community.

1. Early Developments 3 The origins of war crimes can be found in the traditional laws of war, today called international humanitarian law; these laws regulate the conduct of armed conflicts whose rules were derived from international conventions and customary international law. The evolution of war crimes is part of the progressive development and codification of international humanitarian ...
