Visions In The Stone: Journey to the Source of Hidden Knowledge is one of my favorite books and I recommend it highly to anyone interested in delving more deeply into life in general or esoteric spirituality in specific.

Visions in the Stone: Journey to the Source of Hidden

Visions are basically the same as dreams, except that dreams happen whilst a person is in a state of sleep and visions will happen whilst the person is fully awake. The reason that Dreams and Visions are prophetic is because they are to do with the visual and seeing aspects of what God is saying. We see our dreams, we see visions.
