In the United States, a promenade dance, most commonly called a prom, is a semi-formal dance or gathering of high school students. This event is typically held near the end of the senior year (the last year of high school). Proms figure greatly in popular culture and are major events among high school students.

C# 7.0 adds a number of new features and brings a focus on data consumption, code simplification and performance. Perhaps the biggest features are tuples, which make it easy to have multiple results, and pattern matching which simplifies code that is conditional on the shape of data. But there are many other features big and small.
