

why our children are pdf

These disparities are growing despite the fact that over the past two decades, closing the test-score gaps between affluent and poor children has been a central aim of national education policy, as embodied in President George W. Bush's No Child Left Behind law and President Barack Obama's Race to the Top program.

Helping Children Succeed – What Works and Why

NYU Langone Health's Department of Child and Adolescent Psychiatry was founded in 1997 to improve the treatment of child psychiatric disorders through scientific practice, research, and education, and to eliminate the stigma of being or having a child with a psychiatric disorder.

Why immunize our children? Sometimes we are confused by the messages in the media. First we are assured that, thanks to vaccines, some diseases are almost gone from the U.S. But we are also warned to immunize our children, ourselves as adults, and the elderly. Diseases are becoming rare due to ...

Vaccines: Vac-Gen/Why Immunize?

The Children's Aid National Center for Community Schools is a practice-based technical assistance organization that builds the capacity of schools, districts, and community partners to organize their human and financial resources around student success.

National Center for Community Schools

Putting Speciesism on Our Radar. In his groundbreaking book, *Animal Liberation*, philosophy professor Peter Singer popularized the word speciesism. He wrote: Racists violate the principle of equality by giving greater weight to the interests of members of their own race when there is a clash between their interests and the interests of those of another race.

Poverty is the scarcity or the lack of a certain (variant) amount of material possessions or money. Poverty is a multifaceted concept, which may include social, economic, and political elements. Absolute poverty, extreme poverty, or destitution refers to the complete lack of the means necessary to meet basic personal needs such as food, clothing and shelter.

Poverty - Wikipedia

Historically, an orphanage was a residential institution, or group home, devoted to the care of orphans and other children who were separated from their biological families. Examples of what would cause a child to be placed in orphanages are when the biological parents were deceased, the biological family was abusive to the child, there was substance abuse or mental illness in the biological ...
