Audit working papers are the documents which record all audit evidence obtained during financial statements auditing, internal management auditing, information systems auditing, and investigations. Audit working papers are used to support the audit work done in order to provide the assurance that the audit was performed in accordance with the relevant auditing standards.

Audit working papers - Wikipedia

A working paper or work paper may refer to: . A preliminary scientific or technical paper. Often, authors will release working papers to share ideas about a topic or to elicit feedback before submitting to a peer reviewed conference or academic journal. Working papers are often the basis for related works, and may in themselves be cited by peer-review papers.
